

Perry County Fraternal Order of Police

11th Annual "Kenny Kellems Camp with a Cop"

2017

Mission Statement:

To operate a camp for children, where they can receive wholesome recreation, moral, physical, mental, cultural and civil training based upon ethics, values and respect for law enforcement and the criminal justice system.

What We're About...

The Perry County Fraternal Order of Police is offering young people an exciting, up-close look at law enforcement, the criminal justice system, and all other emergency services through its 11th **annual** youth camp. This camp will help students gain respect for themselves and others through programs that demonstrate the rewards of hard work and dedication.

1. This program utilizes educational and recreational activities to create trust and understanding between police officers and youth. It is based on the conviction that young people - if they are reached early enough - can develop strong positive attitudes towards police officers in their journey through life toward the goal of maturity and good citizenship.
2. The Perry County Fraternal Order of Police Youth Camp "Camp with a Cop" brings youth under the supervision and positive influence of law enforcement and expands their awareness about the role of a police officer and the reinforcement of the responsible values and attitudes instilled in young people by their parents. Such respect is beneficial to the youth, the police officer, the neighborhood and the community.
3. The Perry County Fraternal Order of Police Youth Camp "Camp with a Cop"

strives to connect our youth and law enforcement and the criminal justice system in a positive way with character building tools to deter juvenile crime and violence; as well as, create interest in possibly getting involved law enforcement later in life. The friendship and trust built through this structured camp will help teach our youth that they have a friend behind the badge. These bonds can last a lifetime.

This four-day/three-night camp, beginning Tuesday July 18th, at noon, Wednesday, July 19th, Thursday, July 20th, & Friday July 21st, is for students entering 6th, 7th, 8th and 9th grades.
